## Note :

Starting point from the Green Zone parking area.

## Boulevard World

**Time : 4:00 PM**

**Date : 2 - 10 December.**

Boulevard World is one of Riyadh's top entertainment destinations, bringing together diverse cultural experiences from around the globe. The site features live music, amusement areas, restaurants, and markets inspired by different cultures. It's a perfect place for shopping, entertainment, and discovering new cultures in a fun setting.

Boulevard World will be open for visitors from **2nd - 10th December.**

## King Abdulaziz Library

**Time : 10:00 AM**

**Date : 4 December , 8 December**

The King Abdulaziz Public Library combines valuable books and references with cultural activities. The library provides a quiet space for reading and exploration, along with educational programs and family events. It's an ideal spot for book lovers and researchers.

## Almarai

**Time : 9:00 AM**

**Date : 3 December , 9 December**

A visit to Almarai offers an exciting insight into the dairy and food production industry. You can learn about the stages of production, quality standards, and even taste fresh, unique products. This visit is an opportunity to explore an important industry in the Kingdom and understand the efforts made to ensure quality

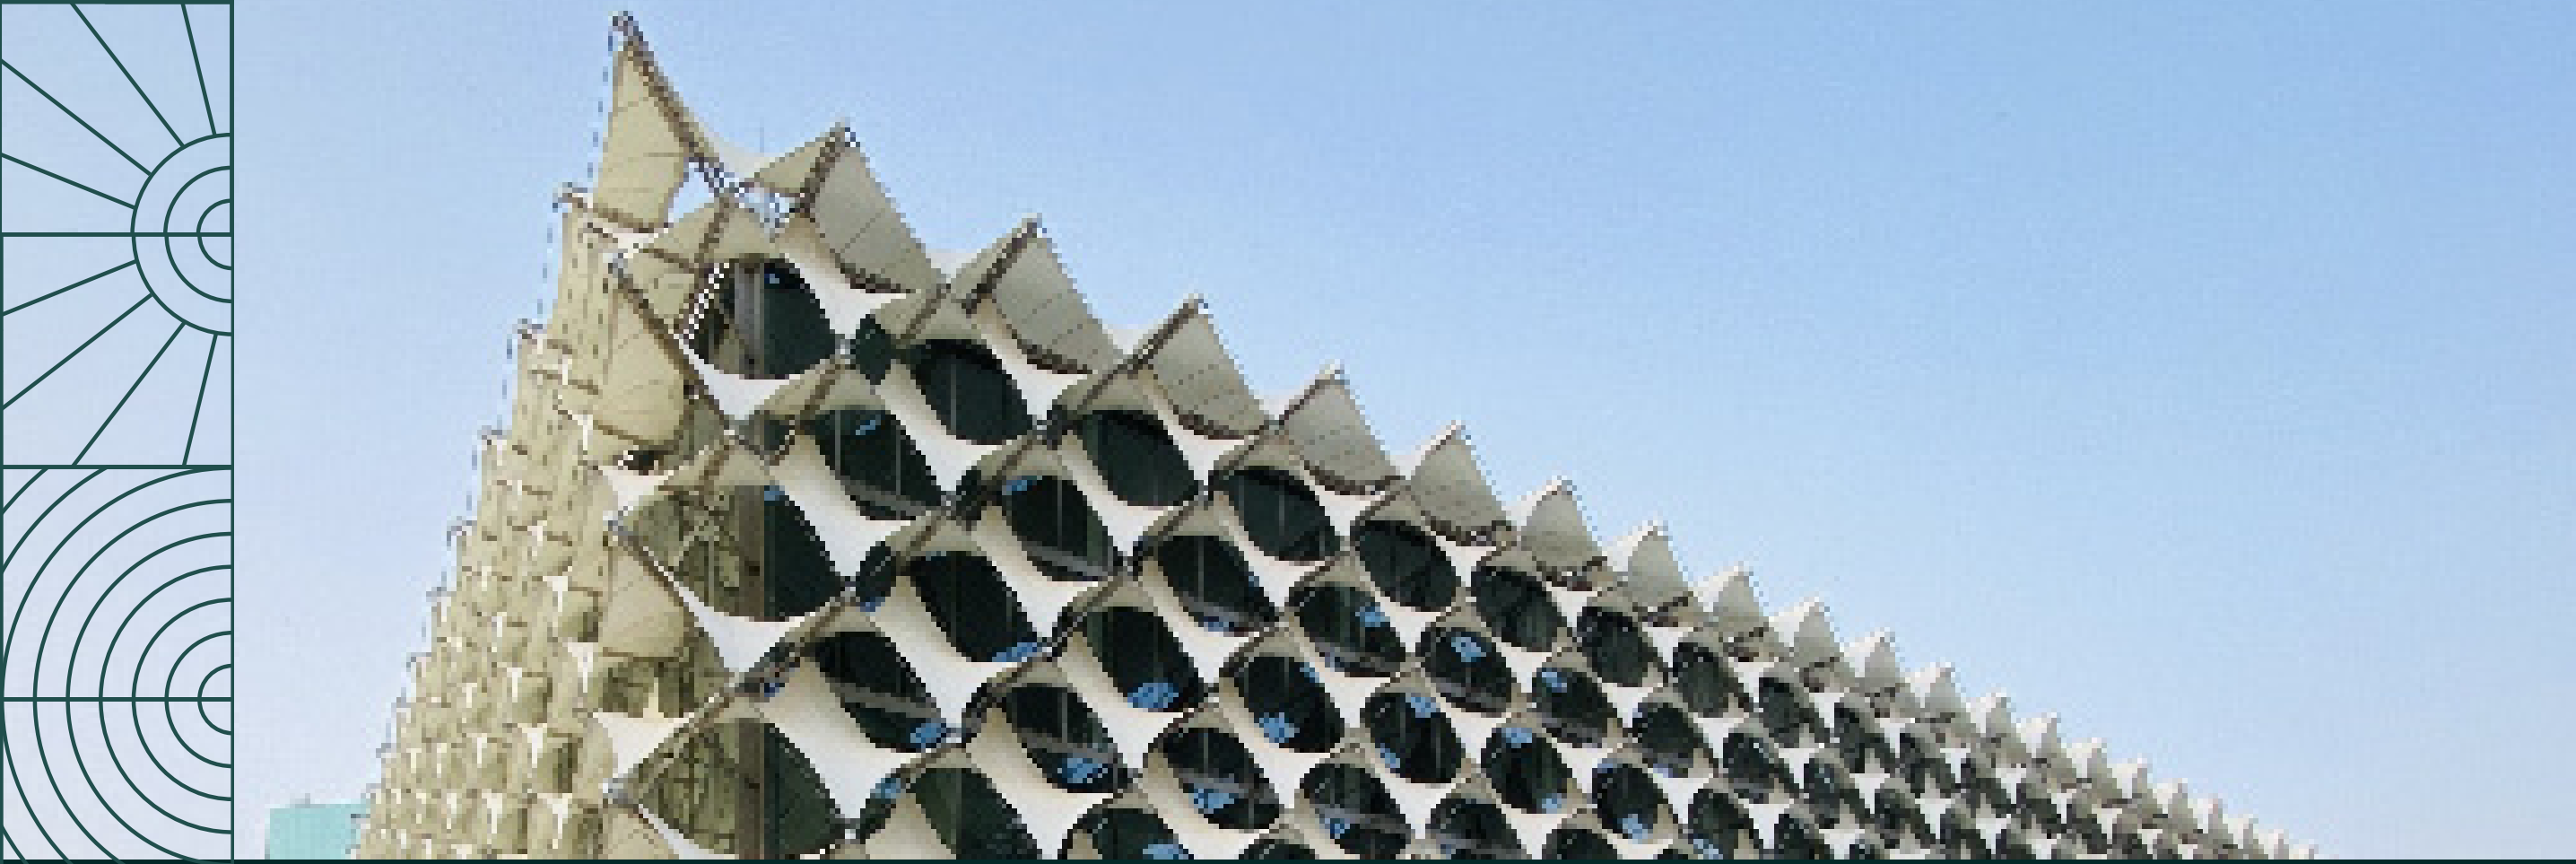

## National Museum

**Time : 10:00 AM**

**Date : 6 December , 10 December**

The National Museum provides a deep historical journey into the heritage and culture of Saudi Arabia, with valuable exhibits covering various phases of the country's history. The museum includes artifacts and displays illustrating the region's historical development, making it a rich experience for history and culture enthusiasts.

## King Fahad Library

**Time: 9:00 AM**

**Date : 10 December**

King Fahad Public Library is one of the largest libraries in the Kingdom, housing a wide collection of books and manuscripts. The library offers a quiet space for reading and studying, along with educational programs and events. It's a suitable place for researchers and those who enjoy learning.

## GeoPark

**Time: 9:00 AM**

**Date : 5 December**

GeoPark is an enjoyable destination for nature and adventure lovers, featuring trails for hiking and climbing. It's an ideal location to explore unique natural landscapes and spend enjoyable time outdoors.

## Al-Turaif and Al-Bujairi Districts

**Time : 5:00 - 9:00 PM**

**Date : Daily**

Al-Turaif and Al-Bujairi are among the most important historical and heritage areas in Diriyah, showcasing the rich history of Saudi Arabia. These districts offer cultural tours, live performances, and traditional-style restaurants and cafes. It's an excellent spot to enjoy a traditional atmosphere and explore the Kingdom's deep-rooted history.
